**Statement of Cultural Heritage Value**

The 1922 Waterdown Memorial Hall located at 317 Dundas Street East, Waterdown, possess cultural heritage value due to its associations with military commemoration. The one-storey brick building was constructed to memorialize local citizens who were involved in World War I and it continues to play a prominent role in the social and cultural life of the community. The building is a good example of the Edwardian Classicist Style of architecture and contributes to the historic quality of the streetscape in the former Village of Waterdown.

**Description of Heritage Attributes**

All four elevations and the flat roof of the one-storey brick building, together with all construction materials and all building component features and detailing.
